The screenshot shows the main dashboard of the Web POS Apps. At the top, there is a dark header bar with a circular logo containing a stylized letter 'H' and three navigation icons: 'Home' (house), 'Data' (database), and 'Office' (monitor).

The main content area has a white background. It features a title 'Web POS Apps' and a welcome message 'Welcome to dashboard online web apps point of sale.' Below this, the date '18 Sep 2020 @12:24:54am' is displayed.

The dashboard is organized into several sections:

- Top Row:** A red box labeled 'Database' with a lightning bolt icon, followed by 'Office' (briefcase icon) and 'Tutorial' (camera icon).
- Middle Row:** Two columns of two items each:
  - Left column: 'Cost' (bag icon) and 'Price' (shopping cart icon).
  - Right column: 'Stock' (bar chart icon) and 'Profit' (bar chart with dollar sign icon).
- Bottom Row:** Two columns of two items each:
  - Left column: 'Cash Flow' (left arrow icon) and 'Close cash' (calculator icon).
  - Right column: A red box labeled 'Sold Today : Item' with a small icon, and a green box below it showing 'Rp.31500'.
- Bottom Left Column:** Three blue boxes: 'Profit' (bar chart icon) with 'Income report details.', 'Cash Flow' (right arrow icon) with 'Check detail log cash flow.', and 'Close Cash' (calculator icon) with 'Close Cash Log History'.
- Bottom Right Column:** A registration form titled 'GISTRATION' with fields for Name, Username, Password, and Confirm password, and a 'Register' button.

At the bottom of the dashboard, there is a footer bar with the text 'Web Pos Apps' and 'Powered by https://mesinkasironline.web.app'.
